BalanceBox 400H

BBW.0400H-95 BalanceBox 400H incl. universal whiteboard & projector frame (suitable for 66 - 95 kg)

Last year, SmartMetals introduced a completely new line solutions for touch screens on the ISE. These solutions are used in a increasing degree in educational facilities, which moved us for the following development. SmartMetals introduces in the Amsterdam RAI a new line-up for interactive whiteboards and a fully renewed Tip&Touch stand which can be adjusted manually (by gas spring) or motorized (electrically controlled). With these solutions SmartMetals keeps her number one position in innovative educational solutions.
